

SANDIP SARKAR

Web Developer

As an undergraduate student at NIT Agartala, I have been working in web development for the past two years. My skills include frontend technologies such as HTML, CSS, Tailwind CSS, JavaScript, and ReactJS, as well as backend technologies like Node.js, Express.js, and MongoDB. Now, I am focusing on enhancing my backend development skills. I am currently doing an internship at Drafteq Engineering as a Full Stack Developer.
