SANDIP SARKAR

Web Developer

I am an undergraduate student at NIT Agartala, and my skills include HTML, CSS, Tailwind CSS, JavaScript, and React JS. Currently, I am learning backend. I am actively seeking an internship in Web Development where I can apply my knowledge of Web Development fundamentals and gain experience with new technologies.

- Science

PERSONAL PROJECTS

Personal Portfolio (ReactJs)
- I built this personal portfolio web with the help of React Js, Tailwind CSS. In this portfolio I have included my skills and works
- LInk - https://portfolio-psi-three-60.vercel.app/

MERN Stack Blogpost web
- I have developed this full-stack web application using ReactJS, Tailwind CSS, ExpressJS, and MongoDB. The app features user authentication and allows users to create, edit, and delete their own posts, as well as view posts created by others.
- Link- https://blog-app-a8k8.onrender.com/

ReactJs Ecommerce
- I built this E-commerce web app with the help of React Js, Scss, Redux toolkit and a DummyJson API. It has search, add-to-cart, and remove-from-cart functionality
- Link- https://redux-store-app.netlify.app/

ReactJs Weather App
- I created this website using React.js and utilized the Fetch API, which includes PWA (Progressive Web App) functionality.
- Link- https://weatherwebbapppp.netlify.app/

Kusum Palace - Static Hotel website (Live)
- I have created this website using HTML, CSS, and JavaScript, and it is also responsive.
- Link- https://kusumpalace.com/

SKILLS

HTML | CSS | JavaScript | React js
Redux toolkit | Tailwind CSS | Node js | Express js
MongoDB | Python | C++ | DSA

CERTIFICATES

Complete HTML5 course (07/2021)
